

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Donna Karl
DOCKET NO.: 05-26818.001-R-1 & 05-26818.002-R-1
PARCEL NO.: 18-03-300-040-0000 & 18-03-300-041-0000

The parties of record before the Property Tax Appeal Board are Donna Karl, the appellant; and the Cook County Board of Review.

The subject property consists of a four-year-old, two-story single-family dwelling of frame and masonry construction containing 2,652 square feet of living area and located in Lyons Township, Cook County. The residence contains two and one-half bathrooms, a full basement, air-conditioning, fireplaces and a two-car garage.

The appellant submitted evidence before the PTAB claiming unequal treatment in the assessment process as the basis of the appeal. In support of this argument, the appellant offered four suggested comparable properties located within a quarter mile of the subject. These properties consist of two-story single-family dwellings of masonry or frame and masonry construction and range in age from four to 13 years. The comparables have two bathrooms with some half-baths and three comparables have full or partial basements, one finished. They have air-conditioning and fireplaces and all have two-car garages. The comparables contain between 2,154 and 2,846 square feet of living area and have improvement assessments ranging from \$24,960 to \$30,711 or from \$9.67 to \$12.59 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board submitted its "Board of Review Notes on Appeal" wherein the subject's final improvement assessment of \$40,096, or \$15.12 per square foot of living area, was disclosed. In support of the subject's assessment, the board disclosed the subject's May 2004 purchase price of \$447,000. The board offered no other evidence.

(Continued on Next Page)

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the COOK County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO.	PROPERTY NO.	LAND	IMPR.	TOTAL
05-26818.001-R-1	18-03-300-040	\$2,374	\$15,626	\$18,000
05-26818.002-R-1	18-03-300-041	\$2,374	\$15,626	\$18,000

Subject only to the State multiplier as applicable.

PTAB/TMcG.

Based on this evidence, the board requested confirmation of the subject property's assessment.

After reviewing the record and considering the evidence, the PTAB finds that it has jurisdiction over the parties and the subject matter of this appeal. The Illinois Supreme Court has held that taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data, the PTAB finds the appellant has overcome this burden.

The PTAB finds the appellant's four comparables are similar to the subject but would require some assessment adjustments in living area, construction or age to better conform to the subject. These properties have improvement assessments ranging from \$9.67 to \$12.59 per square foot of living area. The subject's per square foot improvement assessment of \$15.12 is above this range of properties. After considering the recent sale and the differences in the suggested comparables when compared to the subject property, the PTAB finds the subject's per square foot improvement assessment is not supported by the properties contained in the record.

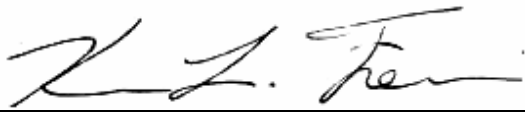

The board offered no equity evidence to support the subject's assessment.

As a result of this analysis, the Property Tax Appeal Board finds the appellant has adequately demonstrated that the subject dwelling was inequitably assessed by clear and convincing evidence and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
